# Pick-Up Procedure

- Families will park in any of the open parking spots in the west, main, or east parking lots
  - If no parking spots are available when you arrive, please loop back through until there is an open spot
  - DO NOT park or sit on Hwy Y, double park, or block someone else in
- The person picking up will use the path beginning at the RNC maintenance building and wait at the designated cone locations or safely social distance in line on the path until a cone opens up
- All adults and children should use the designated paths through the parking lots when appropriate (marked on map with a green line)
- Once at a cone, a staff member will use radios to send the students you are picking up to your cone
- When drivers have all of the students they need, everyone will exit to the parking lots following the path in front of the barn
- When a cone opens up, a new person may fill that space
- Students will be distanced around the field in their designated classes for pick-up
